Schmutzschleusen

Indoor – Schmutzfangmatten | Siltex Catcher Line Rib Matten zeichnen sich durch effektive Reinigungseigenschaften aus. Die langlebigen Fasern sorgen für einen guten Bürsteneffekt und halten Feuchtigkeit und Feinschmutz zurück. Die Siltex Catcher Line Rib Matten weisen eine geringe Höhe auf, was für eine einfache Begehrbarkeit, ohne Stolperfalle, sorgt. Der Vinylrücken ist feuchtigkeitsbeständig und rutschfest.

|                     |                                                                                                                                                                                                                                                                                                                                                                                                                               |
