marketing.information@sonaearauco.com

Type: Wood | MDF

Innovus® Coloured MDF is a decorative, medium density fiberboard panel, through-dyed, ideal for creative and demanding projects. It uses high-quality pigments that meet environmental requirements and ensure that the board remains consistent in terms of colour and intensity.

mtextur ID	117832
Manufacturer	Sonae Arauco
Manufacturer-Email	marketing.information@sonaearauco.com
Product Line	5 > Innovus® – Coloured MDF
Product Line Info	Innovus® Coloured MDF is a decorative, medium density fiberboard panel, through-dyed, ideal for creative and demanding projects. It uses high-quality pigments that meet environmental requirements and ensure that the board remains consistent in terms of colour and intensity.
Material Name	GB Deep Black
Type	Wood / MDF
eBKP	C 2.2 Internal walls / G 3.2 Finished wall coverings
IFC	lfcCovering / lfcFurniture
Area of application	Inside / Wall / Furniture
Delivery zones	AU / BG / CZ / DK / EE / FI / FR / HU / IE / IT / LV / LT / NO / PL / PT / RO / SK / SI / ES / SE / GB / US / CH / DE / LU / NL / AT / BE
Size of the CAD & BIM texture	Height: 500.0 mm / Width: 500.0 mm

Important legal notice regarding the use of the mtextur database and the mtextur datasheet

The mtextur database and the mtextur datasheets present a selection of digitally processed building materials, categorised by material type, subtype, colour range, field of application, manufacturer and product line. All content is provided for information and planning support purposes only and is non-binding. The colour appearance, pattern, surface characteristics and scale accuracy of the CAD & BIM textures may differ from the actual products supplied by the respective manufacturers. A binding or exact match cannot be guaranteed. For binding samples, technical specifications and product-specific details, only the respective manufacturer or distributor shall be authoritative. Please contact them directly for such information (enquiry link provided with the material). The content is compiled with due care and to the best of our knowledge. However, errors, omissions or deviations cannot be entirely excluded. The publisher of the mtextur database, h2c GmbH, as well as the listed manufacturers and distributors, accept no liability for the accuracy or completeness of the information provided, nor for any direct or indirect damages or consequential losses arising from the use of the mtextur database or the mtextur datasheets. Liability shall apply exclusively in cases of wilful misconduct.
