VINTAGO VI 031
LARGO 3050x1250
Swisspearl Schweiz AG

<https://www.swisspearl.com/> | info@swisspearl.com

Type: Fiber cement | Plate

Colored through with a sanded, slightly rough surface.

The large-format panels give facades what they need: a face, individuality, character, texture, color and, very importantly, a highly effective protective layer. LARGO allows an immense range of possibilities for the design of facades, with an extensive selection of surface options, various types of joints and fastenings, and panel formats that can be freely selected within the maximum useable size. For visible creativity and to meet the highest aesthetic requirements, in proven Swisspearl quality.

| Material Name | VINTAGO VI 031 |
| Type | Fiber cement / Plate |
| Material Info | Colored through with a sanded, slightly rough surface. |
| eBKP | E 2.3 Facade cladding / E 2.4 Facade systems |
| IFC | IfcCovering / IfcCurtainWall |
| Area of application | Outside / Facade |
| Delivery zones | CH / AT / LI / SI / US / DE / CA |
| Size of the CAD & BIM texture | Height: 7500.0 mm / Width: 9150.0 mm |

Important legal notice regarding the use of the mtextur database and the mtextur datasheet

The mtextur database and the mtextur datasheets present a selection of digitally processed building materials, categorised by material type, subtype, colour range, field of application, manufacturer and product line. All content is provided for information and planning support purposes only and is non-binding. The colour appearance, pattern, surface characteristics and scale accuracy of the CAD & BIM textures may differ from the actual products supplied by the respective manufacturers. A binding or exact match cannot be guaranteed. For binding samples, technical specifications and product-specific details, only the respective manufacturer or distributor shall be authoritative. Please contact them directly for such information (enquiry link provided with the material). The content is compiled with due care and to the best of our knowledge. However, errors, omissions or deviations cannot be entirely excluded. The publisher of the mtextur database, h2c GmbH, as well as the listed manufacturers and distributors, accept no liability for the accuracy or completeness of the information provided, nor for any direct or indirect damages or consequential losses arising from the use of the mtextur database or the mtextur datasheets. Liability shall apply exclusively in cases of wilful misconduct.

Characteristics Info

In der Masse durchgefärbt mit einer leicht angeschliffenen Oberfläche
